USC Diabetes Account # GF1017198

The purpose of the gift is to support the USC Anne L. Peters Diabetes Fund (the “Fund”) (GF1017198), an existing current use fund whose purpose is to support diabetes research currently under the guidance of Dr. Anne Peters at the Keck School of Medicine of USC. The Donor understands that the gift will be administered in accordance with the University’s administrative guidelines and procedures.

It is understood that as research and academic programs move forward, there is the possibility that it may become impractical for this gift to serve the specific purpose noted in this memo. If this unlikely circumstance should occur, the University will consult with the Donor, if possible, or the Donor’s estate, if feasible, and absent mutual agreement, any unexpended funds would be returned to Donor or Donor’s estate.

USC qualifies as a charitable organization under Section 501(c)(3) of the Internal Revenue Code. The University’s Federal Tax Identification number is 95-1642394.
